

**TO WHOMSOEVER IT MAY CONCERN**

This is to certify that we had appointed Goldfinch Engineering Systems Pvt. Ltd. (GOLDFINCH), Plot No.A-288, Rd No 16Z, MIDC Area, Wagle Estate, Thane - 400604 for Turnkey execution (Design, Supply, Installation and Commissioning excluding civil works) of the Effluent Treatment Plant (ETP) for our manufacturing facility at Harohalli, Bengaluru, Karnataka.

The ETP capacity is 400m<sup>3</sup>/day and treatment plant consists of:

- Separate collection of various wastewater streams based on their quality and pre-treatment
- Anaerobic Biological Treatment of the composite wastewater followed by Aerobic Biological Oxidation using Membrane Bio-Reactor (MBR)
- De-watering of the sludge from treatment using Belt Filter Press

The work was awarded in December 2014 and was completed including commissioning in 12 months. GOLDFINCH also carried out the operation and maintenance of this ETP for a period of one year after commissioning as per the scope of work.

We are satisfied with the technical competency and services of M/s Goldfinch and recommend them for similar work.

For Anthem Bioscience,
