## TO WHOMSOEVER IT MAY CONCERN

This is to certify that Apte Consulting Engineers have Worked as process and project consultants for our Effluent Treatment Plant (CETP) at Dombivli, MIDC.

The total cost of the project was about Rs.270.00 Lakhs. The scope of services for Apte Consulting Engineers included:-

- \* Sampling, Analysis and Data Generation
- \* Treatability Study, Preparation of Feasibility Report and Detailed Project Report
- \* Approvals from National Environmental Engineering Institute (NEERI)
- \* Maharashtra Pollution Control Board(MPCB), Maharashtra Industrial Development Corporation (MIDC) etc.
- \* Basic and Detailed Engineering for all civil, mechanical, electrical, piping and instrumentation work.
- \* Procurement and Vendor/Contractor Management
- \* Supervision and Project Management
- \* Trial Runs, Commissioning and Operation of CETP

The entire project was completed in a span of about 1.5 years.

We are satisfied with the timely services and technical soundness of Apte Consulting Engineers and do not hesitate to recommend them for similar projects.

For DOMBIVLI C.E.T.P.
