TO WHOMSOEVER IT MAY CONCERN

This is to certify that M/s Goldfinch Engineering Systems Private Limited has supplied us a multiple effect evaporator having a capacity of 15 KLD on Turnkey Basis. It was commissioned in 4th week of January 2018 and is working satisfactorily.

The plant comprised of the following :

- 1) A two effect evaporator with a thermo-vapor re-compressor

The plant is working and giving the output as per the design parameters.

We found the Goldfinch team knowledgeable, sincere, technically sound who can deliver MEE's as per client needs.

We have no hesitation in recommending them for similar projects elsewhere.

Thank you,

Yours faithfully,

For ESKAY DYESTUFFS & ORGANIC CHEMICALS PVT. LTD.,
