Date:31.05.2013

## TO WHOMSOEVER IT CONCERNS

M/s Waste Encare India Pvt. Ltd. has executed Turnkey ETP projects over the past several years for our various manufacturing facilities all over India. Last year they have successfully designed, procured, installed and commissioned ETP for our manufacturing facility at Neemrana, Rajasthan. The ETP scheme consists of Primary treatment, followed by Anaerobic Treatment followed by aerobic treatment and polished by tertiary Treatment. The total project cost was approximately Rs. 1.0 Crore. The plant is working satisfactorily as per design till date.
